FROM:

Director, DDS&T Career Development Course

25X1

SUBJECT: Appreciation for Support to the DDS&T Career
Development Course

1. The members of DDS&T's Career Development Course No. 23 would like to thank you and your staff for the very fine program which was presented to them on 17 and 18 November 1982. It was very well structured and provided a good deal of new information to all members of the class. It gave everyone a much better perspective of the directorate and how it performs its many complex tasks.

2. [redacted] wrap-up session was very well received as were the other DDA briefings. The briefing given [redacted] by [redacted] highlighted one of the many vital roles played by the DDA.
